- **Wand or Pat Search:** This search involves the use of an electronic wand to scan the body for the presence of foreign objects, and requires you to empty your pockets and remove your shoes and metal objects as appropriate. If the wand "alerts", you will then be asked to submit to a "pat" search. If the wand does not "alert," but the officer conducting the scan has a reasonable suspicion that contraband is present nonetheless, you may be asked to submit to a "pat" search. A "pat" search is conducted by an officer of the same gender, and involves patting the outside of your clothing.
- **Unclothed Body Search:** This search is conducted by 2 officers of the same gender and consists of visual inspection of all body surfaces, including the ears, nose, and mouth, and requires the person to remove clothing.
- **On-grounds Vehicle Search:** conducted upon reasonable suspicion.

It is our intention to accomplish this search in as reasonable and dignified a way as possible. This procedure is necessary to protect incarcerated people/youth, staff, and guests, and we ask for your patience and cooperation. Failure to submit to this search will result in you being immediately "banned" indefinitely from this facility as well as all other Minnesota Correctional Facilities.

If you wish to obtain a review as to the reason a search was requested of your person and/or vehicle, you may submit a written request to the Warden within 15 days of the requested search. Send the request to the appropriate facility listed below.
