
Policy Number: 103.420
Title: Pre-Service and Orientation Training
Effective Date: 1/15/19

PURPOSE: To ensure that all employees have a standardized knowledge level regarding the department's policies, organizational structure, and programs, along with the mission, values, and expectations.

APPLICABILITY: Department-wide

DEFINITIONS: None

PROCEDURES:

A. General requirements

1. The DOC provides all employees a minimum of 40 hours of department orientation and training, including on the job training which is documented by the supervisor. In addition, the DOC provides all facility staff with pre-service academy and facility-specific training, as required by the position. All training must meet core requirements as recommended by the training advisory committee (TAC) and recommended learning topics from the American Corrections Association (ACA). Curriculum development is based on clear, concise, and measurable written statements of intended learning outcomes. Content and instructional methods are consistent with stated learning objectives, sequenced to facilitate learning, and incorporating strategies to evaluate the learning. The department director of employee development ensures availability of necessary space and equipment, including library and reference services, for the training and staff development program.
2. Part-time employees are pro-rated for the number of hours of training they need to receive.
3. A staff member who worked in a position with offender contact with a lapse in service of less than two years does not need to retake orientation and academy.
4. A staff member who worked with minimal or no offender contact with a lapse in service of less than five years does not need to retake orientation and academy.
5. Part time or intermittent employees, and contractors must follow training requirements as determined by the department director of employee development or assistant director of employee development in conjunction with the approving authority of that employee. The sophistication level and the amount of training is based on the employee's need to know and the employee's job assignments. Additional considerations include whether the job requires offender contact or minimal/no offender contact.
6. An individual on active military status is retrained as determined by the facility employee development director following mandated federal USSERA and state guidelines.
7. All training is documented using standardized entries into the approved agency electronic training management system.

B. Orientation

1. All facility, field services, MINNCOR, and central office employees must attend the DOC orientation program offered at central office in addition to work site and/or specific job orientation.
 - a) Employees attend the first scheduled orientation session after their start date.
 - b) This training includes, at a minimum:
 - (1) Orientation to the purpose, goals, policies, and procedures of the department and state;
 - (2) Personal conduct;
 - (3) Preventing harassment and discrimination;
 - (4) Working conditions and regulations;
 - (5) Employees' rights, responsibilities, and benefits;
 - (6) Communication skills;
 - (7) Prison Rape Elimination Act (PREA) information;
 - (8) Security and contraband regulations (facility appropriate);
 - (9) Key control (facility appropriate);
 - (10) Appropriate conduct with offenders (if applicable);
 - (11) Occupational exposure;

 - (16) Use of restraints for juvenile residents (for all Red Wing staff); and
 - (17) Office and field safety (field services).
 - c) If a staff person is waived from orientation or portions thereof by the director of employee development or designee, documentation of comparable training must be provided to the training manager/designee, and the waiver approved prior to the next scheduled orientation after his/her hire date.
2. Central office and community services staff receive or are directed to orientation, training, and on-the-job training resources by their supervisors or designees. These orientation activities must be documented and submitted via a supplemental training request verification in the approved agency electronic training management system.

C. Pre-service academy training program

1. All facility staff must attend the central office portion of the pre-service academy required for their positions.
 - a) If staff are waived from portions of pre-service academy, documentation of comparable training must be provided to the director of employee development/designee and the waiver must be approved prior to the next scheduled academy.
 - b) If facility staff miss portions of the central office pre-service academy, the staff person must attend the next scheduled session to make up the missed portions or documentation must be provided of comparable training received.

- c) The content of the academy training program must meet the core requirements recommended by the ACA and the TAC.
- d) Final training requirements must be approved by the director of employee development.
- e) The core curriculum is based on needs assessment, job analysis, and identified skill-based competencies.
- f) The sophistication level and the amount of training is based on the employee's need to know and the employee's job assignments.
- g) Corrections officers
