Title:	Canteen
Effective Date:	2/20/18

PURPOSE: To provide guidelines for the operation of canteens at department of corrections facilities.

APPLICABILITY: Minnesota Department of Corrections (DOC); all facilities

DIRECTIVE: MINNCOR operates a canteen at each facility where offenders/residents can purchase approved items. The canteen's operation is an integral part of the DOC and plays an important role with respect to offender/resident welfare and morale. Operating costs directly involved with the canteen are charged to and paid for by MINNCOR. Based on legitimate correctional reasons, a facility may impose limitations in the amount and types of canteen purchases. Based on legitimate security reasons, MINNCOR may inactivate any canteen item until the security concern is resolved.

DEFINITIONS:

Operating costs – includes breakage, theft, spoilage, delivery, supplies, equipment depreciation, inventory, equipment, software purchases, rentals, adult offender and staff wages, transition services, and the facility and general administrative expenses allocated to the canteen.

Scrip – purchased through Canteen to enable offenders/residents to purchase items through the vending machines available at certain facilities.
