

SPECIAL CONDITIONS OF RELEASE

Special conditions of release mean any conditions on the release form other than the standard conditions, setting forth specific requirements to be followed by an individual.

CONDITIONS FOR SPECIAL TYPES OF RELEASES:

Mandatory Intensive Supervised Release Conditions

1. The individual must follow all directives of transportation personnel.
2. The individual must comply with all requirements of special supervision (ISR, CIP, or CRP) as directed by the agent/designee.
3. The individual must reside at and maintain an approved residence and may not change residence until approved by the agent/designee.
4. The individual must comply with electronic surveillance, with or without alcohol monitoring, as directed by the agent/designee.

Mandatory Challenge Incarceration Program Conditions

1. The individual must comply with all requirements of special supervision (ISR, CIP, or CRP) as directed by the agent/designee.
2. The individual must reside at and maintain an approved residence and may not change residence until approved by the agent/designee.
3. The individual must comply with substance use disorder programming and aftercare as directed by the agent/designee and sign a release of information to verify compliance and program attendance. The individual must refrain from the use or possession of mood-altering substances including alcohol or drug paraphernalia. The individual must not take any prescription medications not prescribed to them by a licensed physician or psychiatrist. If prescribed medications by a licensed physician or psychiatrist, the individual must take them as directed.

Mandatory Conditional Release Program Conditions

1. The individual must reside at and maintain an approved residence and may not change residence until approved by the agent/designee.
2. The individual must comply with all requirements of special supervision (ISR, CIP, or CRP) as directed by the agent/designee.
3. The individual must comply with substance use disorder programming and aftercare as directed by the agent/designee and sign a release of information to verify compliance and program attendance. The individual must refrain from the use or possession of mood-altering substances including alcohol or drug paraphernalia. The individual must not take any prescription medications not prescribed to them by a licensed physician or psychiatrist. If prescribed medications by a licensed physician or psychiatrist, the individual must take them as directed.

Mandatory Conditional Medical Release Condition:

The individual must enter and remain at the medical release placement, participate in all required programs of that placement, and must follow recommendations of all health care providers.

SPECIAL CONDITIONS OF RELEASE (continued)

Mandatory Conditions for Interstate Compact Releases or Transfers:

1. The individual must comply with all rules of supervision as prescribed by the receiving state.
2. The individual must not leave the receiving state without written approval of the agent/designee from the receiving state.

Mandatory Condition for Release to a Detainer:

The individual must contact the agent/designee for reporting instructions immediately upon release from the custody of the detainer, or if returning to the United States after being deported, if either occurs before expiration of the Minnesota sentence.

Mandatory Work Release Conditions:

1. The individual must transfer to any placement designated by the commissioner of corrections or designee as a work release placement. The individual must fully participate in and successfully complete the program and obey all the rules and regulations of the placement in which the individual is housed.
2. The individual must not engage in escape behavior, as defined in Policy 303.010.

SPECIFIC CONDITIONS BASED ON OFFENSE AND HISTORICAL FACTORS:

Condition Relating to a History Involving a Motor Vehicle:

The individual must obtain a valid driver's license, proof of insurance, and the documented approval of the agent/designee before purchasing or operating a motor vehicle. The individual must follow the agent's/designee's directives regarding the vehicle's use.

Condition Pertaining to Residence Halfway House or Residential Program:

The individual must successfully complete the facility's program, including aftercare, as directed by the agent/designee

Condition for Individuals with an Assaultive History:

The individual must comply with any programming for anger management as directed by the agent/designee and sign a release of information to verify compliance and program attendance.

Conditions for Individuals with a History of Domestic Assault, Intimate Partner Violence, or Stalking Behavior:

1. The individual must comply with any programming for domestic/intimate partner violence as directed by the agent/designee and sign a release of information to verify compliance and program attendance (Note: Anger management is not a substitute for domestic violence programming).
2. The individual must disclose to the agent/designee all computers, internet capable devices, or digital storage devices within the individual's possession or control within 24 hours of first possessing or accessing such devices. All devices are subject to search and monitoring. The individual is responsible for any material found on these devices.
3. The individual must notify the agent/designee within 24 hours if they have been served with any protective orders issued against them and must comply with orders of protection and any additional

SPECIAL CONDITIONS OF RELEASE (continued)

court orders (i.e., CHIPS, divorce decree).

Conditions Designed to Prohibit Contact with Certain Individuals:

1. The individual must refrain from direct or indirect contact with minors without prior documented approval of the agent/designee.
2. The individual must refrain from direct or indirect contact with vulnerable adults without prior documented approval of the agent/designee.
3. The individual must refrain from any contact, or engaging in any activity of any nature, with any gang members, or gang organizations without prior documented approval of the agent/designee. This includes contact on social media sites, at funerals, memorials, benefits, community events, custody visits, as well as phone calls, displaying gang signs, wearing any gang related clothing or paraphernalia. This also includes attending court hearings unless ordered to appear.

Conditions for Individuals with Person-Offenses:

The individual must submit to updated photographs as directed by the agent/designee if there is a change to appearance or an updated photograph is necessary based on the length of time on supervision.

Substance Use Disorder:

The individual must comply with substance use disorder programming and aftercare as directed by the agent/designee and sign a release of information to verify compliance and program attendance. The individual must refrain from the use or possession of mood-altering substances including alcohol or drug paraphernalia and must not take any prescription medications not prescribed to them by a licensed physician or psychiatrist. If prescribed medications by a licensed physician or psychiatrist, the individual must take them as directed.

Mental Health / Medical Requirement:

The individual must schedule and attend all appointments with the medical/mental health provider and follow through with any recommendations of that provider.

Cognitive / Behavioral Programming:

1. The individual must fully participate in cognitive behavioral programming as directed by the agent/designee and sign a release of information to verify compliance and program attendance.
2. The individual must comply with outpatient counseling or support programming for compulsive gambling and sign a release of information to verify compliance and program attendance. The individual must refrain from being involved in any form of gambling or entering any establishment whose primary business is gambling/gaming.

Mandatory Conditions for Active Felony DWI Sentences:

1. The individual must refrain from entering any establishment that sells alcohol as its primary business without prior documented approval of the agent/designee.
2. The individual must comply with substance use disorder programming and aftercare as directed by the agent/designee and sign a release of information to verify compliance and program attendance. The individual must refrain from the use or possession of mood-altering substances including alcohol or drug paraphernalia and must not take any prescription medications not prescribed to them by a licensed physician or psychiatrist. If prescribed medications by a licensed physician or psychiatrist, the

SPECIAL CONDITIONS OF RELEASE (continued)

individual must take them as directed.

3. The individual must comply with electronic surveillance, with or without alcohol monitoring, as directed by the agent/designee.
4. The individual must advise the agent/designee of all motor vehicles registered to individuals or corporations, sited at the same location as the individual.
5. The individual must obtain a valid driver's license, proof of insurance, and the documented approval of the agent/designee before purchasing or operating a motor vehicle. The individual must follow the agent's/designee's directives regarding the vehicle's use.

Condition Where Individuals Are Being Transported:

The individual must follow all directives of transportation personnel.

Condition for Enhanced Surveillance/Supervision:

The individual must comply with electronic surveillance, with or without alcohol monitoring, as directed by the agent/designee.

Condition Relating to a History of Fiduciary Behaviors or Obligations:

The individual must obtain approval from the agent/designee before opening or maintaining a checking account, acting in a financial or fiduciary capacity for another person or business, being self-employed, owning a business, or entering into a written or verbal contract.

Conditions for a Sex Offense or Offense with Sexual Characteristics:

1. The individual must comply with sex offense programming as directed by the agent/designee and sign a release of information to verify compliance and program attendance. An individual's refusal to attend or participate in programming as directed by the agent/designee constitutes a violation of this condition.
2. The individual must refrain from purchasing, possessing, or allowing in his/her residence any sexually explicit material as defined in Policy 106.112, or any other item that a licensed professional has determined to be part of the individual's pattern of offending or might increase the individual's chance of reoffending. The individual must refrain from entering or accessing any establishment or website that has sexual entertainment as its primary business.
3. The individual must disclose to the agent/designee all computers, internet capable devices, or digital storage devices within the individual's possession or control within 24 hours of first possessing or accessing such devices. All devices are subject to search and monitoring. The individual is responsible for any material found on these devices.
4. The individual must refrain from employment as a (occupation), without documented approval of the agent/designee.
5. The individual must refrain from accessing, creating, or maintaining a personal webpage, profile, account, password, or username for a social networking website or an instant messaging or chat room program, which permits persons under the age of 18 to become members or to create or maintain a personal webpage.
6. The individual must refrain from creating or using any media method for personal contact or advertisement for solicitation purposes, without prior documented approval of the agent/designee.
7. The individual must refrain from any direct or indirect contact with minors without prior documented approval of the agent/designee.
8. The individual must refrain from any direct or indirect contact with vulnerable adults without prior

SPECIAL CONDITIONS OF RELEASE (continued)

documented approval of the agent/designee.

9. The individual must submit to a polygraph as directed by the agent/designee. Violation consists of refusal to submit to a polygraph or any attempt to manipulate or sabotage the polygraph procedure.
10. The individual must refrain from possessing or obtaining any prescription or supplement designed to improve sexual function without prior notice to the agent/designee. If the medication was obtained by prescription, the individual must provide the agent/designee with the prescribing provider's name and contact information.

Mandatory Conditions for Individuals with Sex Offenses or Offenses with Sexual Characteristics Held for Civil Commitment Determination or Civilly Committed:

1. The individual must comply with sex offense programming as established by the clinical director of the Minnesota Sex Offender Program (MSOP). Refusal to attend or participate in programming as directed by the agent/designee constitutes a violation of this condition.
2. The individual must abide by all rules and regulations of the facility where the individual is released to or resides.
3. The individual must contact the agent/designee for reporting instructions prior to release from the custody of the hold for pending civil commitment, or from a court-ordered civil commitment.
4. The individual must refrain from purchasing, possessing, or allowing in his/her room or personal space any sexually explicit material as defined by Policy 106.112, or any other item that a licensed professional has determined to be part of the individual's pattern of offending or might increase the individual's chance of reoffending.
5. The individual must sign a release of confidential information regarding MSOP treatment information prior to release from DOC custody.
