Conditional Release Agreement (SUD Treatment Not Required) (Minn. Stat. § 244.0513)

Pursuant to, and authorized by, Minnesota Statute 244.0513, I, _____, OID Number _____ hereby request the opportunity to participate in the conditional release program (CRP). I understand that, at this time, there is no requirement that I complete substance use disorder (SUD) treatment as part of my acceptance into CRP. I understand that a conditional release is being granted which will occur before my supervised or target release date. With full and complete understanding, I agree to be bound by the following terms and conditions:

1. I must satisfy all eligibility criteria, whether legislated, or determined by the commissioner/designee. I further understand that if I enter into this agreement and fail to successfully comply with my conditions of release, I may be revoked from the CRP program and returned to incarceration.
2. I will follow all rules and regulations set forth by the program, supervising agent or agency, and all conditions of release.
3. If conditional release is granted, I will abide by all release conditions, and will submit to random drug and alcohol tests as required, and to electronic or home monitoring as determined by the commissioner/designee or my supervising agent. I understand and agree the commissioner/designee may impose additional requirements.
4. The commissioner/designee will not grant conditional release unless a release plan is in place that addresses, at a minimum, gaining employment and securing housing.
5. The commissioner/designee may rescind release without hearing if the commissioner/designee determines that continuation of the conditional release poses a danger to the public or to an individual. If the commissioner/designee rescinds the conditional release, I shall be returned to prison to serve all of the remaining portion of my sentence.
