
Policy: 500.015
Title: Employee and Visitor Emergency Health Care
Effective Date: 1/2/18

PURPOSE: To provide procedures for emergency health care for department employees and visitors.

APPLICABILITY: Minnesota Department of Corrections (DOC); all department employees, contract personnel, and visitors at all facilities

DEFINITIONS:

Emergency care – basic first aid provided for an acute condition that may be considered life-threatening or may result in the loss of a limb or a major body function.

Incident command system (ICS) – an ongoing approach that allows department staff and mutual aid agencies to work together in the management of incidents.

PROCEDURES:

- A. Nursing staff, designated to respond to an incident command system (ICS) event, when on-site at a facility, must:
 - 1. Respond to all medical ICS incidents;
 - 2. Assess the involved individuals;
 - 3. Provide emergency care; and
 - 4. Complete the appropriate documents, including a confidential incident report.
- B. Incident reports are retained at the facility.

INTERNAL CONTROLS:

- A. A confidential incident report is written by the responding health services staff, and retained at the facility.

ACA STANDARDS: 4-4384, and 4-4368
