| Issue Date: | 8/16/16 | |
| Effective Date: | 9/6/16 | |

AUTHORITY: [Minnesota Management and Budget Administrative Procedure 19.1](#)

PURPOSE: To establish and maintain the department's affirmative action program and provide clear direction to hiring supervisors on affirmative action responsibilities for certain competitive and non-competitive appointments to department positions that relate to meeting the department's affirmative action goals.

APPLICABILITY: Minnesota Department of Corrections (DOC); department-wide

POLICY: The DOC is committed to the establishment and maintenance of an affirmative action program. In accordance with Minnesota statutes and rules, an affirmative action plan is developed every two years and attached to this policy. The plan contains specific components, including program objectives and hiring goals for the department. The hiring goals and selection process procedures have been set to eliminate the underutilization of qualified protected group members, except where a bona fide occupational qualification exists. The groups, which the State of Minnesota has determined to be underutilized in the workforce, include: (1) women, (2) ethnic/racial minorities, and (3) individuals with disabilities.

The Commissioner's executive team and managers are advised of the department goals and underutilizations for each job category for recruitment purposes. Department managers and supervisors must follow the procedures outlined below in order to eliminate the underutilization of qualified protected group members through a series of specific, result-oriented procedures combined with good faith efforts to consider affirmative action goals in selection decisions. The goals must be determined in the DOC affirmative action plan which utilizes the United States census recommendations and realistic workforce planning goals.

DEFINITIONS:

Affirmative applicant - an applicant who has identified that they are in a protected group (female, minority, individual with disability) and whose appointment would help meet DOC affirmative action plan goals.

Affirmative hire - an applicant in a protected group, which is determined to be underutilized by the DOC affirmative action plan, who is selected for the position.

Applicant pool – applicants who the department determines to meet the minimum qualifications for a position.

Commissioner's executive team - includes the Commissioner, deputy commissioners, and the assistant commissioners of the DOC.

EEO4 job categories - occupational categories applicable to state employment and assigned by the Equal Employment Opportunity Commission (EEOC) including: officials and administrators; professionals; technicians; protective services; office/clerical; skilled craft; and service maintenance.

Ethnic/racial minorities – refers to persons from the categories below. Person of mixed ethnic/racial background select the group with which they identify.

1. Black/African American (not Hispanic origin) – persons having origins in any of the black racial groups of Africa.
2. Hispanic – persons of Mexican, Puerto Rican, Cuban, Central or South American, or other Spanish ethnicity or origin, regardless of race.
3. American Indian or Alaskan Native – persons having origins from any of the original peoples of North America and who maintain cultural identification through tribal affiliation or community recognition.
4. Asian or Pacific Islander – persons having origins in any of the Far East, Southeast Asia, the Indian Subcontinent, or the Pacific Islands. This category includes, for example, China, India, Korea, Japan, the Philippine Islands, Sri Lanka, and Samoa.

Finalist pool – refers to all applicants who are invited to interview. If the hiring supervisor intends to conduct second interviews, he/she must notify all finalist pool applicants prior to the first interviews that (1) second interviews will be conducted and (2) the requirement(s) to advance to the second interview. The second interview pool is the finalist pool.

Hiring goals – the Commissioner of Minnesota Management and Budget (MMB) establishes statewide goals for each EEO4 job category by underutilized protected group based on the most current census available at the time the goals were established. The department goals must be based on comparison of the composition of the work force with the composition of the relevant civilian labor force in the reasonable recruitment area. If the comparison shows that a job category underutilizes a protected group, the commissioner establishes a goal for that disparity in the job category. EEO4 job categories are used as the basis for goal unit designers.

Individual with a disability - An individual with a disability

1. Has a physical, sensory, or mental impairment that substantially limits one or more major life activities;
2. Has a record or history of such impairment; or
3. Is regarded as having such impairment.

Non-justified/missed opportunity hire – a non-affirmative finalist is selected for the position and is similarly or less qualified to the highest scoring affirmative finalist.

Recently separated veteran (RSV) – a veteran, as defined in Minn. Stat. §197.447, who has served in active military service, at any time on or after September 11, 2001, and who has been honorably discharged from active service, as shown by the person's form DD-214. The top five RSVs who meet the minimum qualifications for a vacant position and have claimed a veteran's or disabled veteran's preference must be invited to interview for the position.
