|----------------------------|----------------|----------------------------------|
| Division Directive: | 301.065 | Title: Security Equipment |
| Issue Date: | 7/19/16 | |
| Effective Date: | 8/2/16 | |

AUTHORITY: [Minn. Stat. §241.01](#)

PURPOSE: To provide procedures governing non-weapon portable security equipment. For weapons control, see Policy 301.100 "Weapons Control." For access control devices, see Policy 301.060, "Access Control Devices (Key Control)."

APPLICABILITY: Minnesota Department of Corrections (DOC); all facilities

DIRECTIVE: Facilities may write security instructions detailing specific procedures, as appropriate, for non-weapon portable security equipment.

DEFINITIONS:

Non-weapon portable security equipment - restraints, flashlights, metal detectors, and similar items used by security staff.

PROCEDURES:

- A. Facility security instructions must include:
 - 1. Storage, security, and access;
 - 2. Location outside security perimeter;
 - 3. Which staff may authorize access; and
 - 4. The designated staff responsible for monthly/daily inventory, care, and maintenance of non-weapon security equipment (such as regular tests and inspections).
 - 5. Inventories must be retained by the lieutenant/designee in charge of security equipment.
- B. All staff must be responsible to know the procedures for non-weapon portable security equipment issuance and accountability.
- C. Staff receives training in the use of non-weapon portable security equipment. Training records are maintained according to Policy 103.420, "Pre-Service and Orientation Training".
- D. All staff must be responsible to know repair/replacement procedures for non-weapon portable security.

INTERNAL CONTROLS:

- A. Security equipment inventories are retained by the lieutenant/designee in charge of security equipment.
- B. Security equipment training is electronically retained in the approved agency training system.

REVIEW: Annually
