<b>Issue Date:</b>	<b>1/19/16</b>		
<b>Effective Date:</b>	<b>2/2/16</b>

**AUTHORITY:** [Minn. Stat. §243.48.](#)

**PURPOSE:** To maintain and protect the security and safety of adult facilities by establishing reasonable parameters by which members of the public may tour and the areas to which they may be escorted within the facility.

**APPLICABILITY:** Minnesota Department of Corrections (DOC); all adult correctional facilities

**DIRECTIVE:** Tours are not provided for the general public. Safety and security considerations make it necessary for department facilities to limit tours. Pre-arranged tours may be allowed when a professional benefit results. Examples include corrections officials from other jurisdictions, facility architects/planners, government officials, registered candidates for elected office, criminal justice employees, authorized media, and prospective industry customers. College or university student groups or classes whose major emphasis of study is related to the criminal justice field, organizations involved in support services for correctional agencies, and family members of current employees may also be considered for tours.

Tours are allowed per the classifications listed below. Tour size, classification designation, and tour route is determined by the focus of the tour group and the needs of the facility.

**Class A Tour:** In-depth tour of all areas of the facility. This type of tour must be reserved for architects, facility planners, or other high level visiting officials.

**Class B Tour:** Tour of selected areas of the facility. This type of tour is reserved for criminal justice employees, news media, elected officials, registered candidates for elected office, other management level government officials, employees' family/significant others, potential job applicants participating in facility job fair/open house, industry business suppliers or customers, and college or university criminal justice students.

**Class C Tour:** Tour of areas outside the secure perimeter of the facility. This may only include presentations by staff.
