Evidence Reviewed

- Outline policy violations and refer to the specific policy or policies by name and number.
- Forensic medical evidence, physical evidence such as letters, video footage, and other forensic evidence from the room (contraband, unexplained extra items, etc.), videos, phone records, mail logbooks, staff personal phones, computers, inmate file reviews, PREA risk screening score, etc.
- Only include facts and what you observed, not opinions.

Credibility Assessment:

- Credibility assessment includes camera footage, **history of allegations**, history of other relevant requests or reports, recent disciplinary reports, relationship with the suspect, and perceptions of other inmates or students.
- Credibility must be assessed on an individual, case-by-case basis.

Summary of Investigative Findings:

Summarize facts obtained from investigation details and how they support or do not support the allegations.

Recommended Finding:

Based on the totality of evidence collected during this investigation, I recommend the following finding:

- Substantiated
- Unsubstantiated
- Unfounded

No standard higher than a preponderance of **evidence** in determining if substantiated (more than 50% of the evidence supports the allegation).

- **Substantiated** = more than 50% of evidence supports the allegation
- **Unsubstantiated** = can neither prove nor disprove the allegation based on the evidence
- **Unfounded** = more than 50% of the evidence disproves the allegation).

Rationale for Recommended Findings:

Provide a concise explanation summarizing how the evidence supports the recommended findings. Reference key evidence such as interviews, video review, documentation and credibility assessments.

Final Determination (PREA Compliance Manager)

After reviewing the investigative report and supporting evidence, I (Identify yourself), the PREA Compliance Manager, determines the final finding as:

- Substantiated
- Unsubstantiated
- Unfounded
